## Outsourcing

**CONSULTRIX – CENTRE FOR LABOUR AND BUSINESS PROTECTION** is offering its partners the long time relationship within the outsourcing agreement.

The outsourcing is one of the most efficient managing strategies. It results in the cost lowerage and better business performace for the company.

Outsourcing is very popular in the whole world. With its market value exceeding \$318 bilions (at the end of 2001) it's one of the most powerfull and cost effective strategies.

Within the outsourcing agreement our company offers a full range of Work Safety and Hygiene services along with the delivery of high quality professional equipement. Using external resources is the best way to focus on the main tasks and prioritize targets related to the essential activities of the company.

We believe that building a long term business relationship brings a lot of benefits for both sides, together with a warranty of stability and trust.
